

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

RULES OF THE LIBRARY.

1ST. The College Library shall be opened for one hour, after the usual exercises, every Saturday morning, during term time.

2ND. Books may be drawn by members of the College Classes, not exceeding two volumes at a time, and may be kept for the space of two weeks.

3RD. Each Student shall be responsible for the Books drawn by him, and for any damage done to them, while charged to his name. He may be subjected to any reasonable fine by the Librarian.

4TH. No Student shall at any time, loan any volume belonging to the College Library.

5TH. All Books drawn from the Library, shall be returned, on the last Saturday of each session; and in no case, shall a Student be allowed to carry away any of the volumes, during the stated College vacations.

6TH. The Librarian shall keep a record of the Books drawn by the Students, and also of such as may be taken by the Visitors and Governors, or by the Professors; specifying the day on which they are charged, and that on which they are returned.

7TH. Any Student who violates either of the rules, may be punished by fine, or by suspension of all privileges of the Library.

8TH. No translation of any author in the Classical Course, may be drawn by the Students, being forbidden by one of the College Laws.

9TH. Students who wish to draw Books from the Library, shall furnish the Librarian with memoranda of their own names, and of the books desired, every Saturday morning; and the books shall be given out at the entrance of the Library, without permitting any Student to take the volumes from the Shelves.

NOTE.

The following volumes are missing from the Library; and a great favor will be conferred, by any person who will contribute odd volumes, to make up the sets. Any donations to the Library, will also be received by the Librarian, and duly acknowledged.

ST. JOHN'S COLLEGE, October 25th, 1847.
